

Chimcomplex becomes the financing partner of the SCM Râmnicu Vâlcea club

Starting from January 1, 2023, Chimcomplex S.A. signed a partnership with SCM Râmnicu Vâlcea for the next half year. Beginning with the next season, Chimcomplex S.A. expressed its interest in becoming, together with the City Hall of Râmnicu Vâlcea, the main sponsor of the team.

Chimcomplex, the main manufacturer and supplier of vital chemical substances in the region, decided to become the financing partner of SCM Râmnicu Vâlcea based on its confidence in the remarkable results and the upward evolution of the club. Quality sports create chain reactions, and Chimcomplex will be at the side of the SCM community to support and encourage the club's performance to achieve its assumed objectives.

"We consider that signing this partnership is a first step for returning Vâlcea handball to the top, according to the tradition of the municipality in this sport, both at the national and European level. Chimcomplex supports innovation in everything it does and we trust that joining our forces will bring a different dynamic to the club," said Mr. Marius Tuca, director of Sport Club Municipal Rm. Vâlcea.

"We joined with the idea of continuing a historic partnership and at the same time to grow organically, step by step, just like in chemistry. The potential is great, a team of historical value, a club of tradition, supported by strong funding partners and passionate supporters will continue to win. We set ambitious goals for this partnership, our vision goes very far and we are confident that together we will achieve remarkable results and a constant evolution that we can be proud of every day." stated Ștefan Vuza, President and CEO of Chimcomplex, Financing Partner.

"It is a great joy for us to bring together Valcea handball and a chemistry giant, as it is Chimcomplex. The results that the handball club had in the last years and the fact that the team is again at the top of Romania's handball teams, together with the permanent presence in the international plan, made this important chemical company join us on our way to our biggest performances. Thank you, we will ensure we will do everything to reach our goals!" declared Florin Verigeanu, President of the handball section.

About Chimcomplex

Chimcomplex is the leading manufacturer and supplier of vital chemicals in the region, specializing in polyols, chlorosodics and Oxo-Alcohols.
